session warm up.

#### Information

##### Heats & Finals

HDW means Heat Declared Winner – there are no finals and medals are awarded by times gained in the heats.

All other events have heats and finals; the fastest 5 swimmers from the heats will progress to the finals. Medals are awarded by age group (as below) based on placings from finals, (thereafter from heat times in 10 and under).

Heats will be seeded by entry times. Those without entry times will be seeded into the slowest (earliest) heats. Finalists will be extracted by age group as below.

##### Medals

Bronze, Silver and Gold Medals will be awarded in the following age groups: 7, 8, 9, 10, 11-12, 13-15, 16+. This means that if you are 10 and under you may get a medal in your age group even if you didn't swim in a final!

11 and over events are awarded as shown in the programme, the age groups being 11-12, 13-15 and 16+ years

### Novice Events

To help new swimmers worried about 50m events, we introduced novice events - 25m freestyle, 25m backstroke, 25m breaststroke and 25m fly. These Novice events are for swimmers new to the club where this is their first club championships – i.e. they have been members for less than the 12 months to 16th September, the closing date for entries.

NOTE: A novice swimmer can choose to swim in either the novice or standard "10 and under" event for a stroke, but not both. For example, a swimmer competing in the Novice 25m breaststroke cannot swim the 10 and under 50m breaststroke; however, they can swim the 10 and under 50m freestyle. In that situation, they could not swim in the Novice freestyle and so on.

Novice events are Heat Declared Winner.

Medals are awarded in novice events as gold, silver and bronze for each age i.e. 6 years, 7 years, 8 years, 9 years and 10 years.

### Trophies

**10 and under** - The Trophies for Best 10 and under boy and girl will be awarded on total points gained from positions in finals of the 50m events, NOT including 100IM or 25m free, for which there are separate trophies.

**11+ years** - Trophies will be awarded as Junior (15 and under) and Open (fastest swimmer overall regardless of age). Additionally, there are trophies for 11-12yrs 50m freestyle and 13-15yrs 50m freestyle. All ages are as at 31<sup>st</sup> December. All trophies to be presented at the Annual Awards Ceremony and Ceilidh in early January 2019.

### Note

Subject to session timings, swimmers who are, or will be, aged 10 by end 2018 may enter 100m 11+ events as indicated (\*) to gain times and experience, but will not progress to finals in these events. Please list your choice of breast, back and fly in order of preference as time may only permit freestyle plus first choice swims.

'Time only' swims on the day will not be permitted, so make sure you enter all the events in which you wish to swim by the closing date.

The programme and session times may be subject to alteration after entries are collated to ensure the meet runs smoothly and to time.

**You don't pay at the front desk of the pool to come in for any of these Championship sessions.**
