

Perth City Swim Club

CLUB CHILD PROTECTION POLICY STATEMENT

We, the Club, believe that Good Practice at Perth City Swim Club is as follows:

1. The welfare of children is everyone's responsibility, particularly when it comes to protecting children from abuse. Everyone in swimming – administrator, Club official, coach, parent, friend, children themselves, everyone – can help. Children and young people have a lot to gain from swimming. Their natural sense of fun and spontaneity can blossom in positive sporting environments. Swimming provides an excellent opportunity for children to learn new skills, become more confident and maximise their own unique potential. Perth City Swim Club will always place the needs of the child first.
2. The underlying principles with respect to Child Protection are that:
 - The child's welfare is the first consideration.
 - All children, regardless of age, any disability they have, gender, racial origin, religious belief and sexual identity have a right to be protected from abuse.
 - Children and young people must be treated with integrity and respect.
 - Children and young people's programmes and competitions will be relevant to their ages and stages of development.
3. We are committed to following the current Scottish Swimming's Child Protection guidelines. All our adult helpers are members of Scottish Swimming.
4. Perth City Swim Club:
 - aims to create an enjoyable environment, where young people have the right to be safe, secure and free from threat;
